

# INDUSTRIAL FITTINGS - clips, clamps, ferrules

## RUBBER P-CLIP

Clamp designed for secure and vibration-damping suspension of pipes, cables, hoses, etc. It consists of a bent steel clip and a rubber flange profile. The rubber profile dampens mechanical impact and vibrations as well as protects cables and hoses against damage. The clip is made of galvanized carbon steel or AISI 304 steel, the profile of EPDM rubber resistant to water, abrasion, temperature changes and ageing.
